19:30 for a 20:00 start

On most club nights we have a guest or guests come and visit us. They could be anyone from the IAM Chairman to a company selling hearing protection. Please check our [website](#) for details closer to the time.

A smiling Becci and James will serve hot beverages and Annette has the bar open till late to enjoy a chilled drink.

Alec Gore our Chief Observer will have SAM awards for the latest IAM and SAM Advanced Plus test passes.

Raffle tickets were introduced some time ago to provide an income to cover the costs associated with organising the Club Night, and will be available to purchase at the door on the night.

New members, friends and family are always welcome in the pleasant surroundings of Salisbury Green, so please do come along and see what the club has to offer you.
